

## WHSBLA Code of Conduct Statement

The mission statement of the WHSBLA is to organize, develop, and promote boys high school lacrosse in Washington, and to honor the game by instilling the values of scholastic achievement, sportsmanship, and individual development. Further the WHSBLA is committed to preserve the "Honor of the Game" for the players, coaches, officials, parents, and all others who enjoy the sport of lacrosse. To fulfill our Mission and preserve the "Honor of the Game," the WHSBLA expects that players, coaches, officials, parents, and spectators abide by a **Code of Conduct** that embodies basic common sense principles, demonstrates consideration of others, and projects a positive image to our young men. By doing this, WHSBLA and WALOA can further its efforts to maintain the highest possible standards of sportsmanship and to work together for the betterment of the game of lacrosse at all levels, but especially at the high school level. To gain a better understanding of the origins of this Code of Conduct, it is strongly recommended that Members read The Parents Guide to the Sport of Lacrosse (published & distributed by US Lacrosse), especially the sections entitled the "Bill of Rights for Young Lacrosse Players," "The Role of Parents," and "The Role of the Coach."

The purpose of the WHSBLA's **Code of Conduct** and the enforcement provisions which follow are to promote, project, and protect the image of lacrosse, and the interests and safety of all those that participate and give their time and effort to the betterment of the Game. The ultimate success of the principles and standards, emphasized in this **Code of Conduct**, rest primarily in the hands of those for whom they have been prepared -- the players, coaches, officials, parents, spectators, and any other affiliated parties which make up the membership of the Washington High School Boys Lacrosse Association.

### A. The **Code of Conduct**

Players, coaches, spectators, and parents are to conduct themselves in a manner that "Honors the Game" and demonstrates respect to other players, coaches, officials, and spectators. In becoming a member of the lacrosse community, an individual assumes certain obligations and responsibilities to the game of lacrosse and its participants. The essential elements in this **Code of Conduct** are HONESTY and INTEGRITY. Those who conduct themselves in a manner that reflects these elements will bring credit to the sport of lacrosse, themselves, their teams, and their organization. It is only through such conduct that our sport can earn and maintain a positive image and make its full contribution to high school sports in the United States and around the world. The Washington High School Boys Lacrosse Association supports the following behaviors for those participating or involved in any way with Washington Lacrosse in general:

- The essential elements of the "Code of Conduct" must be adhered to.
- Sportsmanship and teaching the concepts of fair play are essential to the game, and must be taught and developed both at home and on the field during practices and games. Permitting, encouraging, or condoning performance that is dangerous or demeaning to a player, coach, official, spectator, or anyone connected with the function of the game is unacceptable.
- The emphasis on winning should never be placed above the value of good sportsmanship, the concepts of fair play, or the skills of the game.
- Derogatory comments are unacceptable. Use positive reinforcement with players and adults alike. It should be remembered that criticism, once made, can never be retracted.
- The safety and welfare of the players are of primary importance.
- Coaches must always be aware of the tremendous influence they have on their players. They are to strive to be positive role models in dealing with young people, as well as with adults.
- Officials are expected to conduct themselves as professionals and in accordance with those guidelines and rules set forth in the applicable rule books and manuals; and in a

manner that demonstrates courtesy and fairness to all parties while exercising their authority on the field.

- Adults involved with the game must never permit anyone to openly or maliciously criticize, badger, harass, or threaten an official. To do so is a violation of the rules of the game and must be considered unacceptable conduct. The coach must quietly and privately address all concerns to the officials at the appropriate time as defined by the rules; and if deemed appropriate, place in writing to the official's assigning authority any significant problems with the officiating.
- Knowledge of the Rules of Lacrosse must be respected and adhered to by all who participate in the game of lacrosse, both in the letter and the spirit of the game. The Rules are designed to protect the players, provide common standards and control the game. Attempts to beat these rules, to take unfair advantage of an opponent, or to teach deliberate unsportsmanlike conduct is considered unacceptable conduct.
- Guidelines and eligibility requirements, such as age and previous level of participation, have been established to encourage and maximize participation, as well as promote safety. All who participate in the game of lacrosse must be thoroughly acquainted with these rules and regulations, and should assume the responsibility for their observance and enforcement. Attempts to circumvent eligibility rules, or to use ineligible players, shall be considered unacceptable conduct.

## **B. Enforcement of Violations of the Code of Conduct**

- A player or coach ejected from a Washington High School Boys Lacrosse Association sanctioned game for any Unsportsmanlike Conduct (See Definitions) will be barred from the remainder of the game in question. The offending individual(s) must immediately leave the game area. **Any player ejected from a game for any reason will serve a one game suspension and not participate in the team's next game.** Depending upon the seriousness of the infraction, coaches may be barred from attending additional contests as a spectator. Failure of the individuals to comply with this ruling will result in immediate game forfeiture by the team for which the player or coach belongs.
- Unsportsmanlike Conduct (See Definitions) by spectators, who are identified by either a recognized game or event official(s), will first result in a warning to the coaches. If the behavior continues, there will be a stoppage of play and a request by the game officials to the coach(s) to address the offending spectator(s), asking that the disruptive activity cease immediately. **If such behavior continues, a one-minute un-releasable penalty on the in-home will be assessed by the game officials against the offending team. Should the behavior continue, a second one-minute un-releasable penalty will be assessed and the offending spectator(s) must then immediately leave the game area for the remainder of that game. Failure of the spectator to leave the area will result in subsequent one-minute un-releasable penalties or the immediate stoppage of play and the forfeiture of the game.**
- A player(s), coach(s), team official(s), and/or spectator(s) berating or abusing an official or another coach, player, or spectator prior to, during, or after a game will be barred from participating in the remainder of the game in question, festival, or tournament.
